CONSENT FOR SERVICES

Patient's Name: _____ DOB: ____/____/____
First Last

As a condition of your treatment by this office, financial arrangements must be made in advance.

All co-payments are due at the time services are rendered.

Any emergency and/or after hours dental services are subject to additional fees.

Patients who carry dental insurance understand that payment for all services furnished are ultimately their responsibility. Insurance does not guarantee payment and we cannot receive any guarantee of payment. This office cannot render services on the assumption that our charges will be paid by an insurance company. As a courtesy to our patients, we will prepare and submit dental claims and assist in making collections from insurance companies. Any such collections will be credited to the patient's account and any resulting balance is the patient responsibility.

In this office we believe in providing our patients with the highest standard of care. This means using the best materials available in order to promote and preserve a healthy smile. We understand that your dental insurance may downgrade to amalgam (metal) fillings, however it is not standard of care today and we do not recommend the use of them.

X-rays and Photographs:

I authorize Smile Dentist of Paoli (DOPA), the doctor and team to take any x-rays and photographs deemed necessary for the detection and diagnosis of oral diseases. I authorize the release of this and any other information to my insurance company necessary for processing my dental claim (if applicable and according to HIPAA regulations).

Appointment Policy:

If you find it impossible to keep an appointment, for consideration of other patient's needs, we ask for **48-hour** notice, please.

In consideration for the professional services rendered to me, or at my request, by the Doctor, I agree to pay for services at the time they are rendered or within **5 days** of billing, if credit is extended at the discretion of the practice. Outstanding balances may be subject to additional charges. I further agree to pay all costs and reasonable attorney fees if my account has to be turned over to a third-party collection agency.

By **checking here () and signing below**, I acknowledge that I have read and agree to the above terms of treatment.

PATIENT FINANCIAL AGREEMENT

Thank you for choosing **Dentist of Paoli** as your dental provider. We are committed to providing you with the highest quality dental care using only the best material and technology available on the market today. We are also committed to providing you with up-to-date information and educational tools so that you may fully participate in your oral health care decisions.

Please understand that payment of your bill is part of this treatment and care. Any unpaid insurance balance older than 30 days is the patient's responsibility. Uninsured patients are expected to pay in full, at the time of service.

For your convenience, we have answered a variety of commonly asked financial policy questions below. If you need further information regarding these policies, please ask to speak with the office manager.

Q&A:

What Forms of Payment are Accepted?

We accept cash, personal check, VISA, MasterCard, AMEX, Discover, Care Credit and Enhanced Patient Financing.

Which Insurance Plans Do You Contract With?

Dentist Of Paoli (DOPA) accepts most major PPO dental insurance plans. Please remember that your insurance policy is a contract between you and your insurance carrier. We will, as a courtesy, bill your insurance and help you receive the maximum allowable benefit under your policy. We do expect patients to be interactive and responsible for communicating with their insurance carrier on any open claims. It is your responsibility to verify that the facility is in network and a participating provider with your plan. A current provider listing should be made available to you by your employer, insurance company or insurance website.

What is My Financial Responsibility for Services Rendered?

You are responsible to make payment in full at the time of service if you are not insured. Our insured patient's are expected to pay their estimated out of pocket portion at time of service. Your estimated portion may be adjusted after the time-of-service contingent upon final reconciliation of insurance payments.

What Documents Must I Supply?

Our office requires that you supply a photo ID as well as your insurance card and/or social security number for verification of benefits. You are further required to update our office in a timely fashion of any changes to your personal information including but not limited to, name change, mailing address, insured party change (guarantor), loss of or change in employment or change in insurance coverage.

What are My Options for Financial Assistance if I Do Not Have Dental Insurance?

Our office is proud to offer a **Patient DOCS Loyalty Plan!** This plan is exclusive to Dentist of Paoli (DOPA) and is not insurance coverage. It is designed to provide you with the opportunity to maintain your oral health without the worries and stress of overwhelming financial burdens. This plan covers two free exams, cleanings and x-rays annually, as well as discounted pricing on most our services. Please ask one of our team members for more information on how this option might benefit you!

Additional Information...

Our office does not use amalgam (silver in color) for restorations. We understand that patients want and prefer tooth-colored fillings. Most insurance companies "down grade" this service; your estimated out of

pocket for fillings may differ from what was paid upfront. Any amounts passed on to you by your insurance, that was not collected at the time of service, will be billed to you by mail.

Our office makes the best effort to guide you through the insurance billing and collection process. Unfortunately, it is unreasonable to expect that we will know all the details for every employer plan.

Non-Payment on Account-An account with an unpaid balance is subject to third party collection agency intervention. Should such an event be required, you will be charged an additional \$50.00 collection fee. Dentist Of Paoli (DOPA) has the right to disclose to an outside collection agency or attorney all relevant personal and account information necessary to collect payment for services rendered. If your account is referred to a collection agency, attorney or court, the past due status may be reported to credit reporting agencies and could have an adverse effect on your credit history. Failure to comply with our financial policies may also result in withdrawal of care.

Returned Check-An account with a returned check (bounced) will have an additional \$50.00 fee added to the balance.

I have read and fully understand my financial obligations.
